

## Registration for the Remaining Conferences!!

It's an exciting time for the 5th Episcopal District! Our new Episcopal Leadership, the Rt. Rev. Francine Brookins, Esq., and Supervisor Rev. Miriam Burnett, MD, MPH, will meet the clergy, delegates, laity, and members during the six annual conferences and the Fifth Episcopal District planning meeting. Below you will find the registration information for the first two annual conferences. We are still hybrid, and registration is required for virtual attendance and encouraged for onsite attendance. Thank you for your patience as the IT team is making swift transitions under the direction of our new leadership. To God Be the Glory! Be on the lookout for registration for the YPD, WMS, and the Planning Meeting.
